*This past Monday night, I took 14 members of my Israel tour group to Christ Church where we were met by Bracha Cale and Eyal Friedman. It was very informative for the group and they did a great job sharing. We closed with prayer for TJCII and for the work of Yeshua in the land.*

# **WHY IS AFRICA IMPORTANT TO TJCII AT THIS TIME?**

*by The Reverend Canon Brian Cox*

TJCII has grown from a kernel of a vision in 1995 with a small group of Messianic Jewish and Gentile Christian leaders meeting at Baruch HaShem in Dallas to a global movement that embraces six continents. It is a vision of restoration of the nations with Israel as prophesied by both Zechariah (Zechariah 14:16-18) and Isaiah (Isaiah 2:2-5). It is the alignment of the nations with Israel in a posture of blessing rather than cursing. Both the Messianic Jewish Movement and the various streams of the Church are icons of Israel and the nations. The TJCII vision embodies the first fruits of this aspect of restoration. Nowhere is this reality more evident than on the continent of Africa.

For many years and through many individuals, God has been quietly preparing this work of restoration in Africa. It began with teaching missions from Israel, Europe and the United States that taught African Christians the proper biblical understanding of both the people and the land of Israel with a result that it instilled in African Christians - a love for Israel and a desire to pray for Israel. This included both historic church and nondenominational leaders and people. It has also included the important work of Jerusalem-based ministries such as House of Prayer for All Nations led by Tom Hess and CMJ Israel and Christ Church in the Old City.

From this foundation, the ground was prepared to receive the TJCII vision of reconciliation between Messianic Jews and Gentile Christians. This began with planting the seeds of the TJCII vision in Ethiopia and Kenya. Subsequently, the Holy Spirit revealed to us that Kenya would be the hub to bring the TJCII vision to Africa and The Reverend Elizabeth Kamau, the leader of Vanguard Ministries was raised up to be the TJCII Coordinator for East Africa. Vanguard Ministries has become the spiritual base for TJCII in Africa.

## **Why Africa? Why at this time?**

Just as God chose to work through the poor and humble when he sent his Son Jesus to be born in Bethlehem, so he has chosen the poor and humble of the Gentile nations to be among the first fruits of this work of restoration in the End of Days. They are ready to receive this revelation!

## **Now is the time! Africa is the place! It is the fullness of time!**

The work of TJCII in Africa began in 2004/2005 and now is focused on

preparing African leaders and intercessors for two major spiritual transactions.

- The first is in 2021. The TJCII International Leadership Council will convene in Nairobi as a Moving Tabernacle. One of the major activities will be a gathering of Kenyan and African leaders and intercessors meeting with the Messianic leaders of Israel and the Diaspora to bring reconciliation between Israel and Kenya/Africa. Many African leaders believe that this spiritual transaction will open heaven's doors and shower blessings once Africa is in right relationship with Israel.
- The second major event is a Convocation of the Nations in Jerusalem in 2022. This gathering of senior level leaders will be for the express purpose of signing the Seven Affirmations as a prophetic gesture of restoring the first born/ the elder brother to the proper place and for the church of the nations to be in right relationship with Israel. **This is the first fruits of Paul's vision, the One New Man and the Olive Tree.**

**I encourage you to align yourself with this vision in two specific ways:**

- **First, to pray for the fulfillment of this vision in God's way and God's time.**
- **Second, a year-end gift to TJCII to further this call of GOD in Africa and the other continents.**

**Your prayers and financial gifts are needed at this time!**
