***The Amazing Don Finto***  
*By Rabbi Marty Waldman*

---

To say someone is full of zeal and energy for life in our Messiah may be generally applied to numerous people. But, to ascribe zeal and energy in life to someone entering his 90s and who recently lost his wife of almost 65 years would be quite selective indeed. This is Don Finto.

Yes, he has a doctorate. Yes, he was a very well known pastor in Nashville...among his congregants were Michael W. Smith, Amy Grant and numerous other Christian musical artists. Don was/is a mentor to many pastors and uniquely to numerous Messianic Jewish leaders and rabbis. This amazing man loves Jewish people, Israel and the Messianic Jewish community.

Don is the founder of [Caleb Company](#), which is equipping the church to participate in God's biblical plan for Israel and its relationship to world revival. He also served TJCII for ten years as an ILC member and is now serving as an ILC emeritus member.

Don has written a number of books but his first one, which has been newly revised and updated, stands out to me as a "must read" book. *Your People Shall Be My People* by Don Finto may be purchased at a bookstore, through [Caleb Company](#) or [Amazon](#). Enjoy the attached video featuring my very dear friend, Don Finto.
