## ***The TJCII Singapore Consultation***

*By Rabbi Marty Waldman*

The strategy of the Spirit led our TJCII International Leadership Council (ILC) to convene an Asian consultation in Singapore this September. This gathering proved to be inspiring and empowering for both the ILC and attendees. Twenty-seven nations were represented in Singapore, which was a blessing beyond expectations. The cross-cultural nature of TJCII's Pacific Islands and Asian gathering gave us a glimpse of heavenly expectations. Truly, this was the face of TJCII at its core... Jewish and Gentile followers of Yeshua expressing a beautiful biblical unity.

Excellent teachings were provided by members of the ILC. Significant at this gathering was the formation of small groups that formed for cross-cultural fellowship, as well as groups that were formed for national strategizing. A new TJCII Japan National group was also born through the time spent together. What an exciting development for TJCII and for Japan. Please pray for wisdom and encouragement for TJCII's Asian National groups.

There are two interviews in this ***TJCII for You*** email blast. The first video is with George Annadorai our TJCII host in Singapore. The second video features Isaac
