Rabbi Marty Waldman discusses the continuation of the the TJCII Formation Center in Hainburg an der Donau, Austria for 2020.

*“Oh give thanks to the Lord; call upon his name; make known his deeds among the peoples!” I Chronicles 16:8*

As we close out 2019, **we are grateful and thankful to all of you for your support.** You helped to make one of **TJCII’s greatest highlights of 2019** happen: **the opening of our TJCII Formation Center Program** in Hainburg an der Donau\*, Austria at the former home of Fr. Peter Hocken. The Formation Center is centered on training an international and interdenominational (Jew and Gentile) group of young adults (below 45) to bring them together for an intensive formation experience around the TJCII vision of reconciliation to support unity in the Body of Messiah.

Seven students attended this training in 2019, and **we already have four students signed up for 2020!** The TJCII Formation Program centers around l’dor v’dor which is Hebrew for passing vision from generation to generation. It is a crucial aspect of building the kingdom of God to expand unity among believers.

Continuing this important program requires the following:

- **Renovate the Kitchen.** Renovation of the current kitchen will allow a place for meals to be prepared on-site in a safe and healthy environment increasing the time for fellowship, learning, and worship.
- **Scholarship Provision.** Financial resources are needed to provide scholarships for students who feel called to participate but are unable to fully fund themselves.

We invite you to partner with us in this incredible and vital program in two ways:

1. **Please add this program to your prayers as we enter a new year.** Pray for the new students, the students who will be signing up, for financial provision, and for the kitchen renovations to be completed before the students arrive.
2. **Please prayerfully consider giving an end-of-year donation to help provide scholarships for potential students and to help complete the necessary kitchen renovations.** Our goal is to support both the students and the renovations with 50K as we move into 2020. This will allow the TJCII Formation Program to continue in full capacity.

**We are grateful for this opportunity to partner with you for the work of the Kingdom! May you be blessed with the presence of God in your lives this upcoming year.**
