TJCII Global Updates

“Therefore, my beloved brothers and sisters, be steadfast, immovable, always abounding in the work of the Lord, knowing that in the Lord your labor is not in vain.” I Corinthians 15:8

Dear Friends, as we begin 2020, we wanted to share with you some brief updates from our TJCII Teams around the world. We are encouraged to see the Lord’s hand at work, and we hope you are as well. Please note the prayer points at the end of each update if you would like to keep these teams in prayer. Please know that we keep you all in prayer as well. Anyone who is supporting and praying for TJCII is a valuable part of this incredible vision and work that the Lord is doing.

TJCII Austria – From April 20 – May 26, 2020 there will be the next TJCII Formation Center training in Hainburg, Austria. The Formation Center is centered on training an international and interdenominational (Jew and Gentile) group of young adults (below 45) to bring them together for an intensive formation experience around the TJCII vision of reconciliation to support unity in the Body of Messiah.

Please pray for this upcoming training and for all the students and teachers involved.

TJCII in the Balkans – Through some wonderful people that the Lord has brought to TJCII there is now a small team prayerfully considering organizing consultations in the Balkans and

establishing TJCII groups.

Please be in prayer as this is being explored.

TJCII England – On January 29 in High Wycombe there will be a Repentance Service at All Saints High Wycombe. This service is recognizing and repenting for the expulsion of the Jewish people in 1234 and for the events that helped to bring it about. Dominic McDermott will speak during the ceremony on the errors of replacement theology and its consequences in history. This same message will be incorporated into the school event on the same afternoon. With the help of the Anglican Rector at All Saints High Wycombe, we were able to network the schools' curriculum across the town to include this historical event as part of this year's local education.

Please pray for this specific event and its lasting aftermath.

TJCII Germany – We praise God for the January 3-6 MEHR conference in Augsburg, which was attended by approximately 12,000 people and many more thousands over the internet. Significant reconciliation and messages of unity were shared, and a covenant of unity was made between Israeli Messianic leadership and believers in Germany. Pictured is TJCII ILC Member Avi Mizrahi blessing the people of Germany at the conference.

TJCII Japan – On September 19th, 2019 in Singapore, at the venue of the TJCII Singapore Consultation, a group to promote the vision of TJCII in Japan was born. We named it "TJCII Japan". TJCII Japan is now working on these things.

- (1) Launching intercessory prayer groups for TJCII Japan and TJCII worldwide.
- (2) Translating the booklet Toward Jerusalem Council II: Vision, Origin and Documents into Japanese and publishing it.
- (3) Making a simple leaflet on TJCII in Japanese.
- (4) Opening a TJCII Japan website.

(4) Opening a TJCII Japan's website.

(5) We plan to hold TJCII Japan's first annual conference this year.

Please pray for the Lord to give wisdom and strength to carry these out.

TJCII Mexico – Pastor Agustin, TJCII National Coordinator in Mexico, and other people in his congregation have continued to share the TJCII vision through teaching in his congregation and other churches about Israel, the Messianic part of the body and the needed reconciliation. They have also been busy with the construction of a much-needed auditorium for their church.

Please pray for continued inroads and understanding in order to share the TJCII vision.

TJCII North America – There has been exponential growth in the TJCII intercessory groups in North America (US, Canada and Mexico). The TJCII NOW team held their inaugural prayer meeting on January 4. The Alleluia Community in Georgia recently held a TJCII consultation with special guest speaker and ILC member Johannes Fichtenbauer from Austria. Rabbi Marty Waldman presented TJCII to the PCCNA, Pentecostal & Charismatic Churches of North American (Memphis, TN), The Caleb Company's student body (Nashville, TN), The King's University (Southlake, TX) and the Kairos Conference (Dallas, TX).

Pray for the Lord to expand the TJCII outreach in North America and for receptive hearts.

TJCII Slovakia – On January 27 in Nove Zamky TJCII representatives are invited to speak about Messianic Jews, unity and the vision of TJCII to a group of Catholic catechists (teachers of religion classes in schools) from this region at their annual formation seminar.

Please pray for open hearts and clear speech during this meeting.

TJCII Switzerland – TJCII Switzerland, Germany and Austria shared a booth at the MEHR conference with a Messianic Jewish congregation! TJCII ILC member Avi Mizrachi shared about TJCII during the conference and led many to the TJCII booth! They also recently had a retreat with the new TJCII staff of Switzerland to discuss plans for moving forward.

Please pray for clear direction and opportunities to connect throughout Switzerland.

TJCII Ukraine – In Kiev on January 25-26 there will be a weekend for International prayer against Antisemitism and Nazism in the churches, congregations and missions. Online streaming is available at kemokiev.org. Anyone can join this prayer through the website or organize local prayer where they are located.

Please join in prayer against antisemitism and Nazism.
