Dear Fellow Sojourners with TJCII,

In this issue of TJCII for YOU we are featuring a short but relevant video message from my friend Asher Intrater. I met Asher in 1984. He was serving as an elder at Beth Messiah Congregation in Gaithersburg, Maryland (USA). He had also planted a Messianic Jewish congregation in Frederick, Maryland where he served in a pastoral role for several years before his family moved to Israel. Later, Asher started a ministry called Revive Israel, and he is now serving as the president of Tikkun Global family of ministries.

The reason we are featuring Asher's teaching today is the subject matter of his video. Synergy. Asher explains synergy and connects this word to the Ephesians 3 unity between Jewish and Gentile followers of Yeshua. This is the wonderful connection with Asher's ministry and TJCII. Ephesians 2 and 3 represent a core element of TJCII's vision. In my past teachings from Ephesians 3, I have used the word "explosion" when describing the result of Jewish and Gentile believers coming together to form the one new man. Ephesians 3:10 is very explicit in using language to describe the one new man synergy. There is an explosive declaration made to the "principalities and powers in the heavens" concerning God's unfathomable wisdom.

Ephesians 3:10 should sound familiar because many of us reference Ephesians 6:12 that describes spiritual warfare connected to the “schemes of the devil.” We read, *“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”* TJCII leads us into a place of strength and fortitude in our Messiah by reconciling Messianic Jews and Christians while continuing Yeshua’s work of tearing down divisive walls of partition and strongholds. Many of these spiritual strongholds are manifested in distrust or animosity within the Body of Messiah, especially between Jews and Gentiles.

When we walk by faith in Yeshua’s finished work of tearing down the walls that divide us, then we can become the one new humanity that brings mutual blessing to one another. It is a new SYNERGY! Enjoy Asher’s teaching in the video below!
