

Issue No. 70

January 22, 2021

On behalf of the TJCII Board of Directors and International Leadership Council, it is with great excitement that we present our revised logo to you. We are eager to add this new version to our communications and our International TJCII website in February. The former logo carries special memories as it was a picture of God's grace in the early years of TJCII. This revised logo will take us into 2021, create new

memories and help spread TJCII's vision creatively across the globe. The orange color of the logo represents the sunrise/sunset over Jerusalem and the greenish hue signifies the birth of new life. I love how these two colors suggest the glory of the King of Israel and the new life that comes with the TJCII vision. It is our hope that as the TJCII vision continues to expand that the revised logo adds to our creating a beautiful work for the Lord. May 2021 be a year of hope and beauty as we rest in the faithfulness of God. May our lives continually be filled with his glory and grace!

"On your walls, O Jerusalem, I have appointed watchmen; All day and all night they will never keep silent. You who remind the Lord, take no rest for yourselves; And give Him no rest until He establishes and makes Jerusalem a praise in the earth." Isaiah 62:6-7
